

## **DR. KLAUS VAN MARWYK STRENGTHENS SCHNELLECKE LOGISTICS EXECUTIVE BOARD**

### The new member takes over as Chief Financial Officer

With effect from 01.07.2019, Dr. Klaus van Marwyk has been appointed to the Management Board of Schnellecke Logistics AG & Co. KG as Chief Financial Officer with effect from July 1, 2019. In addition to Nikolaus Külps (Chief Executive Officer) and Andreas Wagner (Chief Operating Officer), Dr. van Marwyk will join the Wolfsburg Logistics Group as Chief Operating Officer. As department head, he will be responsible for managing the entire financial organization, which includes purchasing, accounting and controlling at headquarters as well as the individual country and divisional organizations.

In the past, Dr. van Marwyk has held a variety of responsible management positions in logistics, the automotive industry and management consulting. After starting his career in finance at Ford of Europe from 1998 to 2004, he was Chief Financial Officer at Offergeld Logistik from 2011 to 2014. Most recently, Dr. van Marwyk was Senior Partner at Roland Berger where he was responsible for international transformation projects focusing on automotive and logistics. Dr. van Marwyk already knows the family-run Schnellecke Group from a previous consulting position at Roland Berger. "We are delighted to have gained Dr. van Marwyk as a proven expert for top management. With his proven financial expertise in the automotive and logistics sectors, he is an ideal addition to our team," explains CEO Nikolaus Külps.
